Castrocaro

River Park

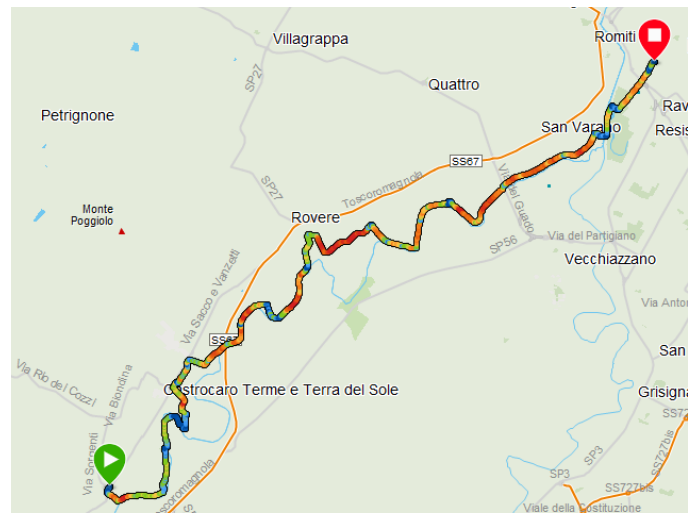

Starting from Castrocaro, a quiet and not at all demanding route which runs along the bank of the Montone river up to the Museum of San Domenico in Forlì, seat of numerous artistic and cultural exhibitions.

This itinerary is not at all demanding and can be almost entirely covered on a cycle path along the river park that runs along the Montone river until it reaches Forlì. Route that ends in front of the Museums of San Domenico in Forlì, home to numerous artistic and cultural exhibitions.

We suggest a stop at the Medicean citadel of Terra del Sole

The route doesn't present particular difficulties
